NKHS Student Parking Permit Contract for 2020-2021

I understand students are permitted to park on school premises as a matter of privilege, not of right. A parking tag will be assigned to me from New Kent High School for the 2020-2021 school year. **The current parking tag must be hung in the rearview mirror of the vehicle with the assigned number (#) facing out.** If I should need to drive a different vehicle, I will provide a copy of the registration for the current vehicle and move my assigned tag to the current vehicle.

- I understand the school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school official has reasonable suspicion to believe that the student has violated or is about to violate the law or a school rule and that the search will yield evidence of the violation, or that illegal or unauthorized materials or other evidence of illegal or otherwise prohibited activities are contained inside the automobile. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
- **If I leave school at any time without permission, this will result in immediate termination of the contract or short/long term suspension of driving privileges. This policy applies to all students, including students 18 years of age or who may be legally emancipated.**
- I understand that I am to bring in all materials that I will need and may not go out to my vehicle during the school day. If I do not comply, this will result in immediate termination of the contract or short/long term suspension of driving privileges.
- **I understand that drivers & riders are expected to exit the vehicles upon arrival and enter the building. Loitering in the parking lot is not allowed.**
- **I understand that administration may nullify this contract and revoke my driving privileges at any time for a disciplinary reason.**

STUDENT DRIVER: I have reviewed the information on this contract with my parents/guardian. **I UNDERSTAND I MUST OBEY ALL PARKING REGULATIONS AND SCHOOL RULES OR MY PARKING PRIVILEGES WILL BE REVOKED.**

PARENT/GUARDIAN: I hereby give the above named student permission to drive to and from New Kent High School during the **2020-2021** school year. I understand the following rules apply:

- **Students must have written permission or/and administrative approval to leave school grounds at a time other than normal dismissal time. This policy applies to those 18 years of age as well.**
- The vehicle must be parked in the assigned spot **ONLY**.
- Vehicles without parking tags and/or students who do not have administrative approval to park will have their **vehicle towed** at the owner's expense.
- The vehicle must be operated **safely** at all times.
- Seat belts must be worn at all times on school property per state law.
- **Students may not go to their vehicle at any time during the school day.**
- The student must leave school grounds immediately when dismissed – enter the building when they arrive.
- No loitering in the parking lot. Any student **out of place** = 1st violation, driving privileges will be lost for 2 weeks and 2nd violation will result in loss of driving privileges for the semester
- Student drivers and their parents are **responsible for the passengers** in their vehicle.
- Students are responsible for the contents in their vehicles and may not possess weapons, alcohol, drugs, or any other illegal substances/items.
